

Fundraising for a Cause

Eagle Adventist Christian School & Preschool offers an excellent education opportunity for the local neighborhood and community.

The Preschool is Star Rated, level 6 and is NAEYC accredited. It has full-day and half-day options available. The school includes Kindergarten through 8th grade, focusing on quality individualized education

As a convenience to parents, before and after school care and a summer program are available for children of all ages.

The small class size and dedicated teachers create a great classroom environment for learning.

Students learn to value a sense of community and diversity through projects and field trips.
