Dear Parents,

What a CRAZY week! We would like to thank all of you for being so faithful with E-Learning work. When we can do this, there is no worrying about how many school cancelations there are. It is always important for us to be able to count those days as school days. We DO NOT want to have to subtract days from Spring Break and adding on days at the end of the year is VERY problematic. So, again, thanks from all of us!

Now, all this snow has created a problem. If the kids go in our playground or play area, the snow will be up their knees in various areas. It will stay that way until we get temperatures above freezing. So, next week please make sure your child is prepared to play in deep snow. Boots and shoes to change into are a must. Insurance prohibits our students to go barefoot anywhere on the school grounds.

The week of February 8-12 we are going to have Week of Prayer. We will celebrate God's Love for us. Upper Graders will read our worship story and Lower Graders will read the worship verse. Groups of kids will lead out in song service. Then, on Friday, Feb. 12, we will have our Valentine's Day party. The kids can bring Valentines for their class or the whole school. We do ask that any Valentine's Day treats be prepackaged. We will be playing Valentine's Day Jingo and watching *Be My Valentine Charlie Brown!* So, next Friday we will be decorating gift bags to hold our Valentines. If your child/children would like special doo dads to decorate their bag with, please have them bring them on the 8th of February.
