FAST START PLAN

Use this fast start plan to launch your business immediately after ordering your welcome kit. Reference the Neumi Success Guide, available in the back office and app, for in depth strategies and information.

Getting Started Checklist

- Order your Welcome Pack and setup an Autoship** of at least 100 PV to be active. Remember, the kit you order is an investment in your business, to share with others: www.office2.neumi.com
- Download our Neumi App** (hint: use the same login you created during enrollment), and watch the 1,2,3 Neumi System Training video: [Apple](#) or [Android](#)
- Join our Testimonial Facebook Group** which you can use as a tool to introduce Neumi to your contacts: www.facebook.com/groups/neuminewyou
- Join our Members Facebook group** for training, company updates and recognition announcements: www.facebook.com/groups/neumimembers
- Make a list of 100 people you know** that know your name and would be open to giving you feedback on something new that you're excited about, then follow the 1, 2, 3 Neumi and Direct A, B, C systems for success!

How to Share 1, 2, 3 Neumi!

Reach out to people on your list: "Hi _____, hope you are doing well! Would you be open to giving me some feedback about something I'm really excited about?" When they say yes, follow 1, 2, 3 Neumi!

- 1** **Connect to Tools:** "Great! If I sent you a _____ (video from the app) when would you be able to watch it?" Or, "Are you available on _____ (day) at _____ (time)?" If yes, invite them to an upcoming Neumi event!
- 2** **Connect to Leaders:** Add them into the Neumi, New You Facebook group, where they can learn more. Introduce them to your support and corporate team, for additional third-party validation, when needed.
- 3** **Connect to Products:** Share a testimonial, tag in a post in the group, then send your enrollment link. Remember, Preferred Customers and Members get access to discount pricing!
