## MISSING YOU

Life is full of pain and sorrow,  
You're here today,  
Gone tomorrow.

If only we knew when we're going to die,  
We would all be prepared to say goodbye.

Mr. Death doesn't seem to care,  
Why do you come so suddenly?

You're my worst nightmare!

My heart aches to see my loved one go,  
You'll never know how much I love you so.

I wish for you to come back to me,  
For there's no place you'd rather be.

It's hard to accept that you've gone too soon,

My life without you is in ruin.

You'll forever be in my heart,

Our memories will never be torn apart.

Perhaps you called, texted, prayed

Or gave a card.

No matter what you did or even how small.

We want you to know that we appreciate it all.
