

# I Am A Child Of God

Children's Song Book #2

I am a child of God, and He has sent me here  
Has given me an earthly home  
with parents kind and dear.

*Lead me, guide me, walk beside me,  
help me find the way  
Teach me all that I must do  
to live with Him someday*

I am a child of God, and so my needs are great;  
Help me to understand His words  
before it grows too late.

*Lead me, guide me, walk beside me,  
help me find the way  
Teach me all that I must do  
to live with Him someday*

I am a child of God. Rich blessings are in store;  
If I but learn to do His will,  
I'll live with Him someday.

*Lead me, guide me, walk beside me,  
help me find the way  
Teach me all that I must do  
to live with Him someday*

I am a child of God. His promises are sure  
Celestial glory shall be mine,  
if I can but endure.

*Lead me, guide me, walk beside me,  
help me find the way  
Teach me all that I must do  
to live with Him someday*

Carolyn Reid Ogden was born and raised in Manti, Utah. She was an amazing pianist and played for dance bands in high school and college. This is how she met Paul, her beloved husband and best friend. She attended Snow College and graduated from Brigham Young University with a bachelor's degree in elementary education. She married C. Paul Ogden immediately upon his return from his mission to Mexico.

Carolyn was a school teacher in the Provo City School District and Ogden City School District. She specialized in Kindergarten-Third grade. She shared her love of music with the students she taught and organized children's choirs wherever she went.

Carolyn served in many capacities in The Church of Jesus Christ of Latter-Day Saints. She served with her husband as an ordinance worker in the Manti temple for 15 years. They were called to serve a 6 month temple mission to the Nauvoo Temple. Carolyn and Paul later served as CES Literacy Missionaries for 18 months in the Richfield Utah Stake and they served as Family History Consultants and Facilitators for the Self Reliance program.

Carolyn was a devoted BYU Cougars sports fan. She was also an avid Coach Andy Reid football fan. She cheered for the Philadelphia Eagles and then changed teams when Coach Andy moved to the Kansas City Chiefs. She often claims that Coach Andy Reid is her cousin. She was very vocal while watching her teams play and never stayed seated.

The most important thing to Carolyn was her family. She loved her family a "bushel and a peck."

Her grandchildren were asked to share some words that describe their grand-ma: Christ-like, she showed genuine love to everyone that she encountered, authentic, merry, cheerleader. Grandma was always like her cursive "Flowery", loving, Friendly, outgoing, caring. "Fluffly", loved people, no matter how long she had known them. Genuine, kind, caring. Sociable.
