Family Tree

*There's love within our family tree
where happiness abounds.*

*Our roots are deeply planted
in rich and fertile grounds.*

*We enjoy the rays of sunshine
and endure the winds and rain,
and when a leaf falls from our tree,
together we share the pain.*

*God gives us loving families
and never did intend,
that bonds of love we build on earth
upon our deaths should end.*

*For when our Father calls us home,
how great our joy will be,
in finding loved ones gathered there
on Heaven's family tree.*
