Dear Parents,

Parent/Teacher Conferences were this week. If you haven't made a time to meet with your child's teacher, please do so as soon as possible.

Please make sure that toys are not coming to school. We are finding a lot of students that are distracted during class or struggling in after school care due to toy issues.

Attention!

Step Up For Students

Step Up has reopened for re-enrolling families. Go to the website <https://www.stepupforstudents.org> and get your applications in early. Step Up has created a new application process, so we cannot stress enough to get started on this process early. If you need guidance with the new system, please call Miriam in the front office to schedule an appointment. Because this is a new process, appointments need to be made. Thank you for your understanding.

PCAS School Re-Enrollment Open Soon

We are in the process of preparing the re-enrollment for 2018-2019 school year. Enrollment will again be online for renewing families. If you need help with enrollment, please make sure that you make an appointment with the office to complete all required documents. We will be opening up enrollment for current families for a month and then open for outside families. Many classes are at maximum capacity, so once open to those outside the school, it will be on a first-come, first-served basis. Keep an eye out for dates of parent enrollment nights.

January Art Contest:

We have been receiving some incredible art work from the students, and they are being hung up in the main lobby. Feel free to stop by and see some of the great artistic ability that our students possess. This month's art theme is pointillism.
