

When tomorrow starts without me
 please don't cry for me
 I'm home in heaven where I'm finally free.
 No more wheelchair bound
 I'm playing and running around
 All my pains are gone.
 It was hard to leave my family
 But you must understand,
 An angel came and called my name
 And took me by the hand
 Said my place is ready
 In heaven far above
 I must leave behind those I dearly love.
 As I walked through heaven's gate
 God looked down and smiled
 And told me "welcome home"
 So when tomorrow starts without me
 Don't think we're far apart
 For every time you think of me
 I'm right there in your heart.
