*Although  
you cannot hear her  
voice or see her smile no more  
Maria walks beside you  
still just as she did before.  
She listens to your stories  
and she wipes away your tears;  
She wraps her arms around you  
and she understands your fears,  
Its just she isn't visible to see with the human eye,  
But talk to her in silence and her spirit will reply.  
You'll feel the love she has for you— you'll hear her in your heart  
She's left her human body but your souls will never part.*
