Mom's Mission / Testimony:

I am so grateful to have the Gospel in my life. I can't image our home without knowledge that Jesus Christ is the Savior. We can repent and He loves us still.

Our home is blessed by the strength of Priesthood power also, we are blessed to have the Holy Ghost. We have a Heavenly Father that loves us so much that He sent His Only Begotten Son to show us the right way.

Atone for us so that we have eternal life. Because of Christ our family is sealed together forever. Because of Him we can become better.

Kaye Broadbent

"I will go before your face. I will be on your right hand and on your left, and my Spirit shall be in your hearts, and mine angels round about you, to bear you up"
