A Word to My Mother

Words cannot begin to describe what

I am feeling right now. I am tired and my heart hurts, but knowing you are in a better place gives me strength. I wish I had one more chance to kiss your forehead, but it not meant to be. You were the greatest mother that a man could ever ask for and I only hope you and

dad are proud of me. I wrote a poem in high school, and I find it fitting to use now.
