

ADMIRATION OF LOVE

Daughter

The day you left and gained your wings my heart just broke in two. I wish you could have stayed with me, But Heaven needed you
You left me with the memories And I love you dearly still. No matter how much time goes by. You know I always will
You were a very special person with kindness in your heart And the love we had together. Grows stronger now we're apart
I know I cannot bring you back although I wish it everyday But a piece of me went with you the day you went away

Daddy's Miracle

Kaydrianna Miracle Gail Watson you made May 31, 2016 the happiest day of my life. The gift of you not only blessed me but each and ever person you encountered in your precious journey. God made no mistakes when he gave us an Angel in the flesh by nickname Nu-Nu. I love you! And Daddy will cherish every moment God gave us to share. There will never be another daughter so precious, a granddaughter so wonderful, a niece so amazing, and a cousin Just so cool. Thank you for the blessing of your memory will forever be cherished. Daddy loves you UGLY

If Roses Grow In Heaven

If roses grow in Heaven Lord, Please pick a bunch for me. Place them in my Sister's arms and tell her they're from me.
Tell her that I love and miss her, and when she turns to smile, Place a Kiss upon her cheek and hold her for awhile.
Because remembering her is easy, I do it everyday,
But there's an ache within my heart that will never go away.
Forever our pretty princess from your brothers

If Tears Could Build A Stairway

If tears could build a stairway and memories a lane, I would walk right up to heaven and bring you back again.
No farewell words were spoken, no time to say Goodbye " you were gone before I knew it, God knows why.
My heart still aches with sadness, and secret tears still flow. What it meant to say I love you- no one can ever know.
But now I know you want me to mourn for you no more; To remember all the happy times life still has much in store
Since you'll never be forgotten, I pledge to you today A hollowed place within my heart is where you'll always stay .
Love your Grandparents

So go and run free with the angels dance around the golden clouds for the Lord has chosen you to be with him And we should feel nothing but proud although he has taken you from us and our pain a lifetime will last your memory will never escape us but make us glad for the time we did have your face will always be hidden
Deep inside our hearts each precious moment you gave us Shall never. ever depart so go and run free with the angels as they sing so tenderly to take good care of yon for me

We Love You Forever
