COVID SAFE SOUTH AUSTRALIA

COVID 19 REQUIREMENTS – JULY 2020

Dear Players,

Thank you for playing in the 2020 Racquetball Spring Pennant Competition. Due to COVID 19 restrictions, this season we will have to follow certain requirements to ensure everyone's safety. Each Racquetball venue will have its own COVID-Safe Plan in place with which you will need to comply. A copy of the venue's COVID-Safe Plan can be obtained from the venue if requested.

Racquetball Venues and Squash SA have the following requirements:

- Social Distancing must always be maintained – scorers, referees and spectators must keep a minimum 1.5 metre distance. (This may mean that where possible, some players may need to play, score and leave, as space around the Racquetball courts is generally limited).
- Players are not to wipe their hands on the Racquetball Court walls and should generally avoid touching the walls where possible.
- Players should try to refrain from touching their face during the match (Sweat Bands (head and/or wrist) are recommended).
- Players are not to shake hands at the end of the match but may **lightly** tap racquets.
- No sharing of water bottles or equipment.
- If a player is unwell (displaying COVID 19 symptoms), they are not permitted in the venue (reserves will need to be found for players who cannot play).
- All players' full names are to be written on the scoresheet; not only for scoring purposes but also for contact tracing if required).

It is recommended players bring their own pens to use for scoring and that all players have their own personal sanitiser to use prior to entering the court and at the completion of the match. Players are also encouraged to sanitise prior to scoring and at the end of the match.

We thank you for your cooperation in ensuring these procedures are met and hope you have an enjoyable 2020 Racquetball Spring Pennant Competition.

Pennant By-Laws

Revised: July 2020

1. DEFINITIONS AND INTERPRETATIONS OF BY-LAWS

- (a) The following By-Laws shall apply to and govern all Pennant Racquetball endorsed by Squash SA.
- (b) Subject to the rights of appeal only the Pennant Committee solely shall interpret, administer and enforce these By-Laws.
- (c) The Pennant Committee shall consist of a maximum of two delegates from each competing club including the Registrar. Those delegates shall be appointed to the Pennant Committee by Squash SA at the commencement of each calendar year.
- (d) The Registrar under these By-Laws shall mean the Registrar who is appointed by Squash SA.
- (e) The Pennant Committee may at any time delegate all or any of its powers or duties under these By-Laws to the Registrar.

2. PENALTIES FOR BREACHES OF THESE BY-LAWS

- (a) The Pennant Committee shall have the power to impose penalties for the breach of any of these By-Laws. Such penalty shall be any of the following forms:
 - The deduction of points already scored;
 - The awarding of any rubber or match to the opposing team;
 - Disqualification;
 - Suspension.

3. STRUCTURE OF PENNANT COMPETITION

- (a) The Pennant Competitions may be graded geographically into zones (e.g. Nth & Sth).
- (b) The Pennant Committee will be responsible for the grading of all teams and the rankings of all players.
- (c) The Pennant Committee will determine the number of teams to suit each Grade prior to the start of each Pennant Season.
- (d) Teams shall consist of three (3) or four (4) players except where the Pennant Committee may vary the

said number of players to suit the requirements of the nominated teams in the interest of the Pennant Competitions.

4. TEAM NOMINATIONS

- (a) Teams shall be nominated on the form provided by Squash SA with all players in order of merit, in the manner and within the time period as stipulated for each Pennant season. The appropriate fees must be paid to Squash SA within the stipulated time period.
- (b) After teams are lodged by the club delegates the Pennant Committee has the right to alter the order of merit of any member for any team and revise teams deemed unsuitable to the competition.
- (c) Nominated teams at the start of the season must consist of at least 3 players.

5. ELIGIBLE PLAYERS

- (a) To be eligible to play in Pennant Competition a player must be a resident in the State of South Australia and be nominated by the Club he or she represents.
- (b) When team nominations close, all players who are nominated and have transferred from one club to another club must be cleared in writing from their previous club.
- (c) Any player refused a clearance by the club may appeal to the Registrar. Clearance will only be refused on the ground that the player still owes the club monies to his or her previous club. In the event of an appeal, the Registrar may make such order relating to the clearance as it deems fit.

6. TEAM COMPOSITION

- (a) All competitions shall be mixed.
- (b) All players shall play in their order of merit. At the discretion of the Pennant Committee, the order of merit will be determined by each player's ability, and may not necessarily be subject to a player's ranking.

- (c) All players must play in the team for which they are graded (by the Pennant Committee) for each Pennant season except when playing as a reserve. If only playing one rubber on a given night, it must be for their registered team unless that team has a bye.
- (d) At any stage of the Pennant season the Registrar can review teams and make changes concerning players' rankings or teams' order of merit.
- (e) Where players are ranked, the Pennant Committee will review each player's ranking after Rounds 4, 8 and 12 and adjust the ranking accordingly. For new or returning pennant players, if an adjustment is made within the player's first 3 matches then that adjustment will be backdated to their first match and all players' scores amended accordingly. Please note any retrospective change will not affect the previous match result.
- (f) No change shall be made to team composition or the playing order of merit after team nominations and prior to the Pennant season commencing without the express consent of the Pennant Committee.
- (g) A team may, during the course of the minor round of each Pennant season, make up to and including no more than three (3) changes to the team order of merit up to and including the third to last round of the minor round.
- (h) A player may not play for a lower graded team unless the Registrar grants permission. If the competition has ranked players by-law 8(h) is to be complied with.
- (i) If a team wishes to forfeit a rubber, the remaining players play in their normal playing positions and forfeit the position for which a reserve cannot be found. Zero points will be scored for that rubber by the team giving the forfeit and the opposing team shall score maximum points.
- (j) If there is to be a whole team forfeit, the forfeiting team captain is to inform each of the opposing team members, the club where the match was to be played and the registrar.

7. PLAYER RANKINGS

- (a) Where applicable, players will be ranked according to their skill and previous results. The Pennant Committee will determine these rankings.
- (b) For A Grade matches, each player's starting score will be determined by the difference in the players' rankings. For each lower ranking position a penalty

of two (2) points will be incurred, up to a maximum of six (6) points. The penalty will be deducted from the normal starting score of zero (0). For example a player ranked A5 versus a player ranked A6 will start on minus two (-2), a player ranked A4 versus a player ranked A6 will start on minus four (-4).

- (c) For B and C Grade matches a team ranking system is used and each player's starting score will be zero (0). A team's ranking is calculated as the total of its players' individual rankings. The weaker team will receive handicap points which will be determined by the difference in team rankings. For each higher ranking position an additional six (6) points will be added to the weaker team's score. For example; a team with total ranking points of 38 against a team with 34 ranking points will receive an additional twenty four (24) points to their score. The maximum handicap points a team can receive is 54 points.
- (d) It's the sole responsibility of each team to ensure their players play at the correct ranking, as determined by the Registrar.

Teams will be penalised for a player playing at a lower ranking. A point adjustment (2 points per ranking position in each game) will be made for the individual player and the same number of total points will be deducted from the team's total, as a penalty. ie, a player ranked A5 who plays at A6 will be penalised 2 points in each game so 6 points in total. The offending player will have 6 points deducted from their personal score and the team will have 6 points deducted from their final total.

8. RESERVES

- (a) Along with team nominations, club delegates are to submit a list of ranked reserves to be reviewed and registered by the Pennant Committee. This list will be available to all players. Reserves can fill in for any team from any club subject to the conditions of these By-laws.
- (b) A Reserve is defined as any player who is not registered or who has not qualified for the team they are reserving for. Please note this does not include a player within the team who is playing at a higher position.
- (c) A player may, during the course of a minor or major round, play as a reserve substituting for any player who is unable to play a match so long as that reserve complies with these By-laws.
- (d) Whenever a player plays as a reserve that player must play in his or her order of merit. In the Minor rounds, a reserve can be used in their registered position (or higher). A list of the registered reserves is provided by the Registrar at the start of each season. For non-registered reserves, the order of merit can be determined by consultation with the

- registrar. Players who are nominated players for a team may reserve for another team (not more than four matches for the same team)
- (e) Three (3) reserves per four (4) person teams, two (2) reserves per three (3) person teams and one (1) reserve per two (2) person teams may be used during any Minor Round match. Two (2) reserves per four (4) person teams and one (1) reserve per two (2) and three (3) person teams may be used during any Major Round match.
 - (f) The Registrar reserves the right to allow teams to play reserves that do not otherwise meet these by-laws in the event of exceptional circumstances. Exceptional circumstances are defined as a player's inability to play their match due to an unforeseen illness, injury or another issue that could not have been avoided or planned for in advance.
 - (g) When reserving in a higher grade a player's ranking will drop 1 position (C to B), and 4 positions (B to A). ie a C Grade player ranked 10 will be ranked 11 when reserving in B Grade, and a B Grade player ranked 10 will be ranked 14 when reserving in A Grade. If playing in a lower grade the ranking will be raised 1 position (B to C), and 4 positions (A to B). A player may not play for a higher graded team unless the Registrar grants permission and confirms any ranking adjustments.
 - (h) During the Minor rounds only, if a reserve is required on two separate courts, at the same centre and in the same grade, the matches can be combined with the scores counting on both courts. Both reserves must satisfy all other by-laws.
 - (i) For the Major rounds, a reserve player must be of equivalent or lesser rank than the player he or she is replacing.
 - (j) In the Minor rounds: notwithstanding Rule 8(c), a reserve may be ranked no more than two (2) positions higher than the player being replaced. If higher, the reserve must be within three (3) positions of the opponent. If coming from a higher grade the reserve must be equal or less than the player they are replacing [After the adjustment noted in 8(e)].
 - (k) As determined by the Registrar, and notwithstanding by-law 8(c) and 8(h), teams playing significantly stronger reserves will automatically lose those match points and the opposing disadvantaged player will receive maximum points. If a team needs to use a reserve they must inform the opposition in advance to enable any disputes to be settled prior to the match being played.
 - (l) If a reserve's ranking doesn't satisfy by-law 8(c) or 8(h) a rubber can still proceed, if both captains agree, subject to the reserve scoring a maximum of 42 points and the opponent retaining their achieved score.
 - (m) Once a reserve has played five (5) games for one (1) team they become a member of that team.
 - (n) An un-registered player may play as a reserve only with the prior consent of the registrar and the opposing captain.
- 9. CONDUCT OF PENNANT COMPETITION MATCHES**

 - (d) Singles are to be played whereby each player shall play a rubber and each rubber shall be the best of three (3) games or under a total points system, playing three (3) games. In each match the number one (1) from each team shall play the number one (1) of the opposing team, the number two (2) players shall play one another and so on. commencement of the second game of the current rubber. Players wishing to play early or unable to arrive until late must ring and make arrangement with their opponent.

- (h) Unless other arrangements have been made, if play has not commenced with fifteen (15) minutes of the specified commencing time, the team at fault shall lose the first rubber. Fifteen (15) minutes of grace shall be allowed after each subsequent rubber for the next chosen rubber to commence. If play does not commence immediately the defaulting team shall lose that rubber. The final rubber shall commence not later than fifteen (15) minutes after the completion of the third rubber. If players are unable to arrive on time the opposing team has the right to call a forfeit unless other arrangements have been made. (Note: if players are aware they will be arriving late, they must notify the opposing team captain at least 24 hours prior to the programmed commencement time. Extenuating circumstances will be taken into consideration by the pennant committee.)
- (i) If a player forfeits a match before play has started then their score will be recorded as zero (0) and the opponent will receive maximum points (63), regardless of any individual or team handicap. If a player has to forfeit during the match, their score will be determined as follows:

1. For Self-Inflicted injury or illness, the player's points will stand up to that point with the opponent receiving maximum points in that game and any future games, regardless of any individual or team handicap.
2. For a Contributed injury, the player's and opponent's points will stand up to that point with no further change to the score.
