

I DID NOT DIE

Do not stand at my grave and weep;

I am not there, I do not sleep.

I am a thousand winds that blow;

I am the diamond glints of snow.

I am the sunlight on ripened grain;

I am the gentle autumn rain.

When you awaken in the mornings hush, I

am the swift uplifting rush of the quiet

birds in the circled flight.

I am the soft stars that shine at night.

Do not stand at my grave and cry;

I am not there, I did not die.
