Gregg Arlen Johnson was born on February 21, 1956 in Minneapolis, MN to Duane and Marvel (Peterson) Johnson. The family moved to rural Audubon in 1972. He graduated from Audubon High School with the class of 1974. After high school, he attended Detroit Lakes Technical College for small engine mechanics. In 1975, he started working at the Cormorant Store on lawn mowers. He also sold wood stoves for a few years and later started Johnson Construction, a carpentry/construction business working around the lakes area for over 20 years. In 1979, Gregg helped start the Cormorant Lakes Sportsman's Club, where he was the building manager for many years. He had a passion to pass on the love of the outdoors to youth and provide a place for all to enjoy nature.

Gregg was united in marriage to Debra Erickson on December 17, 1977 at St. Peters Lutheran Church of Audubon. The couple were blessed with four children.

Gregg loved hunting, fishing, cutting wood, just being outdoors, and of course the Minnesota Vikings.
