*I'm Free*

Don't grieve for me, for now I'm free I'm following the path God has laid you see.  
I took His hand when I heard him call I turned my back and left it all.  
I could not stay another day  
To laugh, to love, to work, to play. Tasks left undone must stay that way I found that peace at the close of day.

If my parting has left a void Then fill it with remembered joy. A friendship shared, a laugh, a kiss Oh yes, these things I too will miss.

Be not burdened with times of sorrow I wish you the sunshine of tomorrow. My life's been full, I savored much Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief Don't lengthen it now with undue grief. Lift up your hearts and peace to thee God wanted me now; He set me free.
