Iowa Assessments

Iowa Assessments are happening the week of September 24-28 for grades 5-8. These tests are given yearly to compare how students across the United State compare in their grade level. Results will be shared at the January Student, Parent at Teacher Conference. To help student be most successful on these I would recommend that students get extra sleep that week and spend less time on electronics. Home and School will be providing breakfast Monday through Thursday at 9:00 am.

Hot Lunch

Thank you to all that helped with Hot Lunches. The students really enjoyed the first one and are looking forward too many more. Next hot lunch is October 17.

Rest

Please make sure that your child is not staying up late, many students this week have been tired, and a few have been sleeping in class.

Grades

For families with students in grades 5-8 please check your child's grades on Jupiter.Ed. If you have any questions about what your child is missing, please give me a call.

For families with children in K-1 the grades are figured differently if you have questions about their progress please check with their teacher.
