A Beautiful Life Story

Kathy Harris was born on February 18th 1958. To the parents of John Wesley and Johnny Mae Harris . Who has passed before her.

Kathy was a fifth child and made sure everyone knew she was a baby of the bunch.

Kathy accepted the Lord in the early age. She grew up in South Central Los Angeles where she attended, Russell elementary Bethune and Carver Junior high School, then attended Fremont high School.

Kathy was an outspoken person with a personality like no other, might I add she love fashion clothes and makeup so she attended cosmetology school where she received her degree.

She love to play cards with her siblings, cooking, baking dancing , she was silly with a smile that can brighten up her room.

In 1978 she gave birth to her first born child Dana Adams. Following by Francis Williams, Louie wroten Jr ,Victoria wroten Bernadette wroten, Linda Wroten Michael wroten and the baby of the bunch Michelle Johnson. She still had a lot to give and the Lord blessed her with two step kids Darren and Danielle wroten . A son that she called her on palani Hokoana Sr.

Unfortunately Cathy lost the battle of cancer, now if you knew Cathy you know that she wasn't going to go without a fight and she fought as long as she could .

On August 23rd 2022 at 9:00 p.m. the good Lord called her home . Her baby brother that Akim Harris who has perished in 1994.

Kathy leaves to charish her memory, her beautiful eight kids who she cherished and love dearly with all of her heart. Her three step kids 27 grandkids and five great grandkids. Her big brother Danny Harris, two brother-in-laws Kenneth minor and James Coates. Three sisters Sharon minor Rena Hamilton and johnetta Powell, her big cousin dimples who was more like a sister to her . The man that she loved Bruce. A host of nieces and nephews cousin's friends.

One thing we know for sure is that she loved all of her family and it was an honor to have known her.

Tributes

Mother, Our last moments are forever with me.. Things we've said, things I didn't get to say... I was not ready for this . I'm fully aware some days will be better than others. But nothing will ever be the same as it once was. A piece of my heart is gone . I'm incomplete. But I will practice what you taught me Strength , love & happiness. Your will to fight & live will follow me always. This is the hardest letter I EVER wrote. I hope you know how many lives you've touched made better... Cathy Harris I love you , I need you , I will forever be grateful for God blessing me with you... Your memory will live on through me , I promise. Lord help me through this please.
