

Joseph Brown, a beloved son, brother, friend, and confidant, left this world far too soon at the age of 21. He was born on May 10, 2002, in Logan, Utah, and departed on September 12, 2023, in Fort Worth, Texas.

Joseph brought laughter and joy into the lives of those who knew him. He had a remarkable and sometimes quirky sense of humor, and an infectious smile that could light up even the darkest of days. He was always thinking of others and looking for ways to serve and support everyone around him. Joseph has touched the lives of people all over the world.

From a young age he had a passion for cooking and delighted in preparing the most delicious food for his family and friends. Joseph also had a deep love for gaming, music, creating pottery, and playing water polo. His life was filled with crazy adventures, laughter, and hard work. He could often be found spending time with his uncle Scott, cousin Tyson, and other close family and friends. He was also raising a Shiba Inu puppy named Apollo. Apollo was his constant companion and the center of his world.

Joseph is survived by his loving mother Terri, father Darrel, sisters Kimberly and Analise, and brother Zarin. He leaves a void that can never be filled, but his memory will forever live on in the hearts of those who knew and loved him.
