Key Concepts for Spiritual Growth

We are called to live in hope while we await the culmination of salvation history. At that time, our oneness in Christ and with all of creation will be fully realized.

NAMES OF GOD

W O R D

**Jesus *is* God's dynamic,
creative , life-giving Word.**

Jesus, the Word made flesh, became a man so that through his miracles, teachings, and way of life we could perceive God's glory. He is the Word calling out to us, healing our deafness and bringing us back to God.

How to Hear the Voice of God

The Word of God is as powerful as the four words "Let there be light." The prophet Isaiah said that His Word does not return void. The prophet Jeremiah said that God is watching over His Word to perform it. So let's not just read it; let's stand on it. Better yet, let's live it *out*.

The surest way to get into the presence of God is to get into the Word of God. It changes the way we think, the way we feel, the way we live, and the way we love.

"If you abide in me, and my words abide in you, ask whatever you wish, and it will be done for you."

We may never get to the bottom of the Bible, but the Bible does get to the bottom of us. It penetrates the soul, like a spiritual sonogram, it reveals the thoughts and attitudes of the heart.
