De Colores

De Colores, de colores the fields love to dress in all during the springtime.
De Colores, de colores the birds have their clothing that comes every season.
De Colores, de colores the rainbow is vested across the blue sky.
De Colores and so must all love be of every bright color to make my heart cry.
De Colores and so must all love be of every bright color to make my heart cry.
De Colores, de colores we witness the sunup on clear and bright mornings.
De Colores, de colores the sun gives its treasure, God's light to His children.
De Colores, de colores the diamond will sparkle when brought to the light.
De Colores and so must all love be of every bright color to make my heart cry.
De Colores and so must all love be of every bright color to make my heart cry.

Joyfully, joyfully we will live in God's presence because He has willed it.
Faithfully, faithfully we will slake the great thirsting of Christ the immortal.
Joyfully, joyfully we will bring to our savior a harvest of souls.
Pouring outward the light from within, the grace of our God, His infinite life.
Pouring outward the light from within, the grace of our God, His infinite life.

Missionaries, missionaries of Christ with his courage determined to conquer.
Cursillistas, cursillistas we don't pay attention to human opinion.
Let the cowards, let the cowards deride us and taunt us but it is the truth;
That they really desire the pleasure of being in grace, in colors with us.
That they really desire the pleasure of being in grace, in colors with us.

Sings the rooster, sings the rooster with his kiri, kiri, kiri, kiri, kiri.
And the cluck hen, and the cluck hen with her cara, cara, cara, cara, cara.
And the babe chicks, and the babe chicks with their pio, pio, pio, pio, pi.
De Colores and so must all love be of every bright color to make my heart cry.
De Colores and so must all love be of every bright color to make my heart cry.
