

A Letter From Duke's Sister

"March"

March is my birthday month
I usually make plans for my birthday
But this year I didn't make plans.
I didn't feel like celebrating my birthday.
I wasn't in the mood
Until I got the call you were in the hospital.
I was hoping everything was going to be fine.
A week after hearing you took a turn for the worse
All I could think about in the moment was coming to you
And how was I putting plans in motion.
Spending time crying and wondering "will I make it in time?"
I was feeling sick to my stomach
Not eating not drinking.
I wasn't interested in anything.
I didn't know in that time I was feeling what you were feeling,
what you were going through
As we are twins
Connected in some way
Brother-Sister Connection
My heart was feeling funny
Like it was ripping from my chest
Beating and pounding fast
As if I was going to have a heart attack or panic attack.
Then it hit me.
Hit me hard
I lost you on March 19
A day I will always remember
Because I lost my only brother
In March
My birthday month
March will never be the same for me – *Nicole Jacobs*
