

## Parent Contract

I have read the Student Agreement and OCS Parent & Student Handbook. I will support the Mission Statement, School Policies, Values, Disciplinary Policy and Dress Code of the school and will work with my student to uphold these. I pledge myself to work with the school not only to meet these goals, but to give effective direction to my child's diet, rest, and schedule to maximize the educational experience. My financial obligation is clearly understood and I agree to pay my child's account in full each month unless I make other arrangements in advance with the finance committee. As a parent, I understand that Olympia Christian School encourages me to participate in school activities and functions.
