Today's Service

October 20, 2018

Welcome... to all who have come to worship with the Brunswick Seventh-day Adventist Church today. If you are a guest, please check with one of our Greeters for more information on our beliefs and services.

Today we have our annual Induction Service for our Pathfinders. We thank Aileen and Hailey for their leadership service to our Pathfinders, and to everyone who has stepped forward to help serve in this very important ministry to our youth. We hold you all in high esteem!

“This Work Pays—It costs something to bring children up in the way of God. It costs a mother's tears and a father's prayers. It calls for unflagging effort, for patient instruction, here a little and there a little. But this work pays. Parents can thus build around their children bulwarks which will preserve them from the evil that is flooding our world.”

Church Events

We welcome our guests to a fellowship meal after the service today. TEAM 1 is hosting. The next fellowship meal is Oct. 27, with TEAM 2 serving. Members staying for the meals please bring an entrée, salad, vegetable or dessert that is ready to serve (except for heating as needed); and if you are not on the team serving please leave instructions as to heating your dish. **Nuts are served** alone or in dishes prepared for potluck. Please let us know if you have an allergy to any food item.

Church - we are now live streaming our services, you can find them on YouTube, just search for Brunswick SDA Church AV Team, or go to the link on the top right of our church website. Please be assured that only those that are on the platform during the worship service will be focused in on, and the children's stories will be videoed from a distance. We hope you enjoy the new access to the worship services!

Church Offerings online, reminder: If you have been using Pushpay to pay offerings and tithe please remember to check out **Online Giving** at the top of our website instead. You can create a shortcut to Online Giving on your phone. The sooner we stop using Pushpay the fewer transaction fees we will be charged! We will completely discontinue the use of Pushpay by June 2019 due to it's expense. Thank you to everyone who has already changed over!

If you would like to help Adventist Community Services with their Hurricane Michael relief efforts please see the posted info on the bulletin board outside the office.

Church Family - Did you enjoy the Church's 50th Year Celebration? Please take note that the church finances could use some more donations in order to zero out that expense line in the budget. Please mark donations as "50th Celebration". Thank you!
