

Tripp David Postmus was born on July 20, 2007 to Chad and Maria Postmus in Rock Valley, IA. Tripp was an easy-going child, full of smiles, adventures and yelling, "GOGOGO". From the age of 18 months to the rest of his life, he loved his friends fiercely. In early elementary, Tripp was an excellent student and loved playing soccer.

At age 9, in his third-grade year, he started having headaches which was eventually discovered to be Medulloblastoma, a brain cancer. Tripp was "strong and courageous" in his battle with his ever-present Tripper smile and love for the people around him. After attempting a cure with all the treatment options available for Pediatric Cancer for 5 years, Tripp was excited to state, "I get to go see God" when told he had no more options. That statement became reality when Tripp passed away at his home in Rock Valley on Saturday, April 9, 2022 at the age of 14.

Tripp's love for his Jesus was contagious and evident to everyone around him. The one thing he wants everyone to remember about him is "How Great God is and to Never Give Up". Tripp also had a love of Corvettes but mostly a love for the people who raced them, a love for his nurses and doctors, and a love for his church, school, and family. Tripp's story is far from over as his legacy and love for Jesus will continue to shine through those that knew him. #BelikeTripp because he loved like Jesus.

Tripp is survived by his parents, Chad and Maria, his brother Caleb, his Special dog Copper, his paternal grandmother, Susan Postmus, his maternal Grandparents, Vernon and Gloria Brouwer, and many Uncles and Aunts and Cousins. He is preceded in death by his Papa, David Postmus.

Blessing Of Hope

*So may we know the hope that is
not just for someday but for this day—
Here, now, in this moment that opens to us:*

*Hope not made of wishes
but of substance,*

*Hope made of sinew and
muscle and bone,*

*Hope that has breath and
not a beating heart,*

*Hope that will not keep quiet
and be polite,*

*Hope that knows how to holler
when it is called for,*

*Hope that knows how to sing
when there seems little cause,*

*Hope that raises us from the dead—
Not someday but this day, every day,
again and again and again.*
