

October 2, 2020

Dear Parents,

Hello...another week has come to an end! We have been very busy! Union College Education seniors taught Reading this week, and will teach it again next week!

We have been talking about Creation in Bible! We have been "creating" paper mache animals. It has been difficult and MESSY! We can't wait till you see them. Your children are very creative!

Parent/Teacher conferences are at the end of the month. Next Friday we will be sending home a sheet to make your appointments. We will be meeting with families this year. This makes it easier for all us teachers! Please check your schedules and watch out for the appointment form **next Friday**.

Mrs. Simpson (the original) has been working on updating all of our records. So she sent out an email Sunday, or so she thought! Apparently, the email hung out all week in her drafts folder. So she will send it out again today. Please make sure all forms are in by the 14th of October. We would also like most up to date immunization record in our files. If you can get the most up to date immunization forms to us it would be appreciated.
