Free Community Seminar for Area Residents

Relax with your neighbors, enjoy some delicious refreshments, and experience a 90 minute program exploring some very important topics.

Statistics show most of us **haven't really planned** for the major things which happen as we get older, such as, funeral preplanning, powers of attorney, wills, or healthcare directives.

Most things are fairly **simple and affordable to take care of ahead of time**. We understand it's human nature to put things off, that's why we encourage you to attend this event.

**Call to Reserve Your Seat Today! (507) 388-2202
or Text (507) 995-4995**

Advance registration is required as seating is limited.

Can't make it to this program, but would like to be invited to the next one?

Give us a call, and we will make sure you are invited next time.
