# TO MAKE THE 'JESUS HEALED ME' FIGURES

The help of an **adult** may be needed when cutting and assembling

**Print** out the figures page onto card.

**Colour** in then cut all the pieces out.

**Fold** the **blindfold** and the **stick** along the dotted - - - lines and glue where shown.

**Walking stick:**  
Glue the end to the back

**Blindfold:**  
Glue ends together (makes a V shape at the back)

On the **figures** where marked ⊗ make small holes using a pin/needle or sharp point of a pencil/pen. Push the split pin through, carefully twist around to enlarge the hole to where the split pin moves around easily but not too big as to fall out!

Do the same with the holes ⊗ marked on both arms.

**Cut** two lengths of thread 45cm/18" long. (*I found two strands of sewing thread for each one or one strand of thicker button hole thread for each worked best or a thin smooth thread - knitting wool did not work so well as the fibres caught on the mechanism and stopped the arms from moving freely.*)

**Tie** one end around the arms where the dotted fold line is.

1. Tie thread around by dotted line keeping knot at the bottom

**Push** the split pins through the holes made in front of the figure then through the holes in the arms. **Fold** out the prongs of each pin but do not push too close to the body otherwise the arms will not swing freely. (*You may need to do a little bit of adjusting of the prongs here until the split pin moves freely.*)

**Fold** over the tab and stick over the flattened down arms of the split pin with double sided tape. (*Make sure the arms still move freely.*)

3. Fold tab over and stick

2. Push through and open out

**Punch out** the hole marked ⊗ between the feet.

**Pull** the threads through to the front, make sure the threads are the same length and the arms are at the same height then **tie** together then **tie** a loop in the bottom for pulling.

## Suggestion:

*Play act the story by lying the figure down, their hands beside their body, with the stick and begging bowl next to them ( and the blindfold on if referring to Jesus' healing of the blind). Read the story of Jesus' healing then play act the figure being healed - pull on the string to raise and lower their arms as they jump for joy and praise God!*
