Reflection on Dr. Martin Luther King

This past week I ask you the question: Has the dream been realized? God is looking for His sons and daughters to be reflectors of this transformative Love. He is looking for you and me to show people the way through this darkness. He is looking for Salt! He is looking for Light! He is looking for you and me to reflect Him! The dream is that America would rise up and live out the true meaning of its creed that “all men are created equal.” Perhaps the real question is: Has the dream been realized through you and through me? — *G. Alexander Bryant, president of the Seventh-day Adventist Church in North America.*
