KISSES TO THE SKY

What a bond to have broken
Before a chance to really start
Stories were told
But no memories in thought
Wish we could've met on earth
But heaven had other plans
Sad our last time meeting is like this
But we're thankful for the chance
We could always see you in photos
So we'll cherish those forever
Your death took you away
But your love brought us together
We'll someday meet again
So later and not goodbye
We love you from our hearts
Sending kisses to the sky
Love Always & Forever Your
Grandchildren:

Life Reflection

Carl Anthony Bradley began his life's journey on September 21, 1963. He was the first born to the late Doris Delores Bradley and the late Carroll Adolphe Backman. Carl grew up under the loving care of his late grandmother Enia "Molly" Bradley.

Carl attended Edith L. Frierson Elementary on Wadmalaw Island, SC, Haut Gap Middle and St. John's High School both on John's Island, SC. He loved the sport of basketball, and was so good at it, that he made the high school basketball team, and shined bright as a star he was destined to be. Although, Carl was a very bright young man, and always received good grades, he chose not to pursue college as his heart and mind was already set on becoming a fisherman. Just like his father, he had a true passion for the sea life.

In the beginning of Carl's adult life, he met his first love, Windell Doctor. During their relationship, they gave birth to two beautiful daughters, Demetria and Fatemah Doctor. Some years later, after Carl and Windell separated, he met Jill Wallace, his common law partner, and their relationship continued throughout the remainder of his life.

Carl had a huge heart made of gold, and was genuinely generous to a fault. He was always willing to help his family and friends doing hardships. He had his special mantra that he often stated, "If I have it, you can have it". Although he spent most of his life on the water, he still loved and accepted the Lord as his personal savior Jesus Christ. Carl spent most of his adult life on the water as a fisherman. He dedicated the last 10 years of his life to Wanchese Fish Co, (Hampton, Va) doing what he loved.

Carl was called by God from his earthly labor to eternal rest on Thursday March 23, 2023.

He was preceded in death by his mother Doris Bradley-Foster (New York, NY) father Carroll Backman (James Island, SC) and beloved grandmother Enia "Molly" Bradley (Wadmalaw Island, SC).

He leaves to cherish his fond and loving memories: his devoted daughters Demetria Doctor and Fatemah Doctor both of Summerville, SC; his loving grandchildren, De'Asia Doctor, Savion Barron, Jawuan Doctor, Kayden Doctor and Ayden Doctor all of Summerville, SC; his cherished siblings, Brennon Foster and Wendell Foster both of New York, NY, Adrian Backman (Glenda) and Tania Rhodes (Clarence) both of James Island, SC, Carla Horry (Dominic) and Paul Godette both of North Carolina, Melvin Godette (Donna) of Alabama, Paula Frasier of North Carolina, Terrance Small (Millance) of Charleston, SC, Anthony Summers of North Carolina, Jackie Mitchem (Darrell) of Atlanta, GA, Tina Williams of Virginia, Linda Williams of Maryland and Patricia Williams of Wadmalaw Island, SC; Godchildren, Michael Mack of Wadmalaw Island, SC, Ayanni Jones-Carter and Brandon Campbell both of North Carolina; A host of aunts, uncles, nieces, nephews, cousins, and friends.
