LIFE'S JOURNEY CURTIS JONES

**To plant a seed in one's heart...to root it in love...
To nourish it with time spent together...
Yields a blossom that will flourish forever.**

Curtis Jones was born on June 17, 1947, in Atlanta, Georgia to his parents, Charles Jones, Sr. and Odessa Garlington Harris. He was the fifth child born in the family. He was raised surrounded by his brothers, Charles, Arthur, Dean, James, and his sister, Betty. As a child, he enjoyed playing hide and seek with his siblings.

Curtis received his formal education in Denver, Colorado, where he graduated from Manual High School. While in high school, he was a member of the cheerleader squad and he held a track record. He furthered his education by attending Metro State College. He enlisted in the United States Marine Corp. and was stationed in Camp Pendleton, California.

On September 17, 1970, Curtis married the former Carlette S. Gilbert. They first met while attending a social gathering in Denver, Colorado. She fondly remembers he singing the song, "I'm gonna make you mine even if it takes all night." To this union, Crotisha, Tohana, and Leyonna were born. They fondly remember him watching football and old westerns. They also remember him hollering in the house "this house is not a play-ground." He was called "Daddy" by his family and epitomized great strength both mentally and physically. He was they type of man, who was not confrontational and always wanted everyone to get along. His love was unconditional, and he always was quick to say, "I love you." The love Curtis held for his wife was more than words could express. He was later blessed with twenty-six grandchildren and twenty-two great grandchildren, who all were an additional source of joy and pride in his life.

By profession, Curtis was employed by the Denver Public Schools as a CDL Trainer. He was also part of CSC Entertainment. In the entertainment field, he was called "Apple Man."

He had opened with many great singing groups around the country.

A man of faith, Curtis was a member of the Bahai' Faith.

Curtis was a fun-loving man, who enjoyed life and those he encircled. In his free time, he enjoyed spending quality time with family and friends, watching football and westerns. He had a smile that would light up any room and deep resonating voice. He will be missed by all who were fortunate enough to have known this kind and wonderful man. To know Curtis was to love him.

Curtis Jones departed this life on November 30, 2020, surrounded by his loving and devoted wife, Carlette S. Jones; 3 sons, Eddie Howard, Hasan Jones, Matthew Jones; 5 daughters, Crotisha S. Death Is No Enemy To Man!

It is a friend. Who when the work of life is done, it cut the cords that bind the human boat to earth that it may sail on smoother seas! There is no death to spirit man because spirit is eternal existence beyond the mortal flesh. Man is solving problems in death as he did in life! And man finds himself, where he solves his problems best...
