◇ **Women's Ministry:**

"The Women's Ministries wishes to inform/remind everyone that Today, Sabbath, August 25th, 2018 is **"End-it-now"** Emphasis Day. **"End-it-Now"** is a global initiative to raise awareness and advocate for the end of violence around the world. It aims to mobilize Seventh-day Adventists around the world and invites other community groups to join in to resolve this worldwide issue. In recognition of this day, the Women's Ministries is inviting all individuals who own a blue "End-it-Now" T-shirts to please wear them on Sabbath, August 25, 2018, as we join with the World Church in raising awareness to end violence around the world.

The Women's Ministries will also be conducting a Seminar on **"Words that Wound, the Trauma of Emotional Abuse"** - during AYS commencing at 5:30 PM this afternoon. All members and visitors are being asked to join us.

Remember - *Psychological abuse is real and leaves lasting consequences. The scars of physical abuse may heal, but the scars of emotional abuse cannot be seen and can take longer to heal. Emotional abuse can destroy one's self-worth and result in shame and low self-esteem"*
