

Afterglow

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow
of smiles when life is done.

I'd like to leave an echo whispering
softly down the ways,
of happy times and laughing times
and bright and sunny days.

I'd like the tears of those who grieve,
to dry before the sun;
of happy memories that I leave
when my life is done.
