### CHAD Planted Seeds of Love

God destined him for greatness even before he was conceived. He knew he was saved because he was lovingly taught to believe. Sprinkled seeds of knowledge nourished his beautiful soul.

As an outpouring of prayers and unconditional love made him whole. Strategically his life was mapped out to create a beautiful legacy. A Blessed legacy of six beautiful children so sweet and gracefully. Even though his precious time was short here on earth. Lovingly, he touched many hearts with his awesome worth. Ensuring that his memories will be cherished for each rising of the sun. He planted seeds of love and wisdom that will continue to live on. We hold you close within our hearts and there you will remain, To walk and guide us through our lives, until we meet again.

Love Aunt Helen
