On behalf of the families we serve, we thank you for the love and support you have shown them by your presence at the visitation and funeral ceremonies.

At the time of grief, it is important for families to be reassured that people care about them

There is great value in your support.

God Saw You Getting Tired

God saw you getting tired
when a cure was not to be.

So He wrapped His arms around you,
and whispered "Come unto me".

You didn't deserve what you went through,
And so He gave you rest.

God's garden must be beautiful,
He only takes the best.

So when I saw you sleeping,
So peaceful and free from pain,

I could not wish you to come back,
To suffer that all again.
