Until We Meet Again

Those special memories of you

will always bring a smile.

If only we could have you back,

For just a little while.

Then we could sit and talk again,

just like we used to do.

You always meant so very much

And always will too.

The fact that you're no longer here

Will always cause us pain,

But you're forever in our heart

Until we meet again.

We love you mommy...
