### ***"To The One I Love"***

*To my dearest family, some things I'd like to say. But first, to let you know, that I arrived okay. I'm writing this from heaven. Here I dwell with God above. Here, there's no more tears of sadness; Here it's just eternal love.*

*Please do not be unhappy, just because I am out of sight. Remember that I am with you, every morning, noon, and night. That day I had to leave you when my life on earth was through. God picked me up and hugged me and He said, "I welcome you."*

*Its good to have you back again, you were missed while you were gone. As for your dearest family, they'll be here later. I need you here so badly, you are part of my plan. There is so much that we can do, to help our mortal man.*

*God gave me a list of things that he wished for me to do. And foremost on the list, was to watch and care for you. And when you lie in bed at night, the days chores put to flight. God and I are closest to you...in the middle of the night.*

*When you think of my life on earth, and all those loving years. Because you are only human, they are bound to bring you tears. But do not be afraid to cry; it does relieve the pain. Remember there would be no flowers unless there was some rain. I wish that I could tell you, all that God has planned. But if I were to tell you, you wouldn't understand. But one thing is for certain, though my life on earth is over.*

*I'm closer to you now, than I ever was before.*

*And now I am contented...that my life was worthwhile. Knowing as I passed along the way, I made somebody smile. So, if you meet somebody, who is sad and felling low; Just lend a hand to pick them up, as on your way you go.*

*When you're walking down the street and you've got me on your mind; I'm walking in your footsteps, only half a step behind. And when its time for you to go... from that body to be free. Remember you're not going...you're coming here to me.*
