

Mrs. Kidder's Friday News

1ST AND 2ND GRADE

APRIL 23, 2021

Dear Parents,

One more week for our chicken eggs. We candled a few of them, so we know we have some that are growing. Pray with me that we will get at least one hatch before the kids leave next weekend.

I am sending home the plants we have been growing. Hopefully you can find a pot or a piece of ground for planting. They have one flower and one vegetable. These were started with seeds; the previous plants were starts from another plant.

MAP TESTING: We will take tests on the i pads again next week. I will probably do it early in the week. Please make sure your child gets plenty of sleep and a good breakfast. (Well... always!)

MEMORY VERSE: Continue to practice Psalm 23 at your house and in the car.

Bike-A-Thon: We will be doing the Bike-a Thon on next Friday. My class does laps around the parking lot. Students can bring in their pledges, or have people donate online. Thank you for your support of our mission project for Ukrainian pastors. **By the way, no one has asked Mrs. Kidder, who gives a donation to the first student that asks me. Just saying... 😊**

NEXT WEEK'S MEMORY VERSE

"You have anointed my head with oil; my cup overflows."

Psalm 23:5
