

For Susan Norma Swenson

By Lonnie Swenson

When I come to the end of this road, "I call Life!"

The sun is setting for me. Don't shed tears with sorrow in a gloom filled room. Celebrate, my soul is now free, miss me a little but don't miss me too much.

Shedding tears with your head bowed down low.

In memory, keep close all the good times we all shared. You can miss me, but don't forget me. This is part of life's journey each of us will take and each one takes it alone. Remember its part of Gods glorious plan. I'm following His footsteps back home and when you feel lonely, missing good times we shared, look around you for others like me. Share your kindness and love with each of them here paying tribute to my memory. In those memory's keep all the best parts of me.

Let the sadness take leave from your soul. I'm waiting for you with the loved ones we share.
Miss me but, don't let me go.

In Loving Memory Of Susan Swenson

Susan Norma Kuhn Swenson, 70, from Murray City, Utah, passed away peacefully in her sleep on March 27, 2023.

Susan was born on Aug 7, 1952, to Shirly Kuhn & Ray Kuhn in Salt Lake City, Utah. After graduating from Murray High School, she landed her first job as a cashier at a pizza parlour for six months.

In 1972, Susan met Robert D. Swenson and they were married in 1974, having one child, Lonnie.

When Susan had Lonnie, she decided to dedicate her life to being a fantastic and wonderful mother. Susan excelled at propping up friends and family and supporting them throughout many difficulties. She made it her mission to improve their lives. Susan opened and managed her own business, Dust Busters Cleaning. She loved riding on the back of Robert's Harley. We will miss her greatly.

Susan is preceded in death by her husband Robert, father Ray Kuhn, uncle John Kuhn, and Aunt Margret Kuhn. She is survived by her son Lonnie Swenson, sister Kathy Gallegos, and Mother Shirly Kuhn.

The family has requested that all flowers and notes are sent to Cottonwood Cove 300 Gordon Ln. There will be a celebration of life on April 15, 2023, at 2:00 pm.
