She attended Hutchinson Junior College where she studied Office Technology. She also loved attending all of Hailey's sporting events, especially her softball games, and enjoyed going to programs and sporting events of her nieces and nephews. She was especially close to her brother and sister, and their children became like her own. Somewhere along the way, Shari developed a green thumb and became the "plant doctor" for friends and family. She especially liked succulents, and the Henson home was always filled with a variety of plants. Shari was also well known by family and friends for giving the best hugs.

After a long and hard-fought battle with kidney cancer, Shari Rae Henson, 49, of McPherson, KS, passed away at 8:45 PM on Sunday, November 6, 2022, at her home in McPherson surrounded by family and friends.

She was preceded in death by her father, Bryce Goering; her paternal grandparents, Ed and Teresa Goering, and maternal grandparents, Kenneth and Wilma Shannon, all of McPherson; one uncle, Gene Shannon of Cassoday, KS; and two aunts, Betty Norris-Madron of McPherson and Bonnie Goering of Kansas City, KS.

Survivors include her loving husband, Rich, and daughter, Hailey; her mother, Irene (Shannon) Goering; her brother, Shawn Goering and his wife, Kim; her sister, Shannon Renee Saverino-Owens and her husband, Brad; her brothers-in-law, Keith Myers, Jr. and Dean LeGron and his wife, Jara, all of McPherson; and a sister-in-law, Roberta Ann Arell of Wichita. There was a special place in her heart for her nieces and nephews. She is also survived by several cousins and a special uncle, Buck Nelson. Shari was a devoted wife, mother, daughter, sister, aunt, and friend. She will be sorely missed by her family and friends.

The family would like to thank all those who sent food, participated in fundraisers, and in general, showed their love and care in so many ways.
