I'd like the memory of me
To be a happy one,
I'd like to leave
an afterglow of *smiles*
when life is done.
I'd like to leave an echo
Whispering softly down the ways,
Of happy times and laughing times
And bright & sunny days.
I'd like the tears of those who grieve,
To dry before the sun
Of *happy memories*
that I leave behind
When life is done.

Agnes Glenn Schultz was born in Odessa Township, Big Stone County, Minnesota with her Aunt Anna Lindquist as midwife, to parents Frederick and Clara (Melcher) Schultz on April 8, 1927. Agnes was baptized on March 26, 1947, and confirmed on April 3, 1947, at First English Lutheran Church in Ortonville, Minnesota. She was raised in Park Rapids, where she attended school until the 8th grade. Following her schooling, she moved in with her sister, Evelyn. Agnes moved to Ortonville and worked at the phone company. While there, She met and married Stanley Martinson on April 27, 1947, at First English Lutheran Church. Following their marriage, they moved to Minneapolis while Stan attended school. In 1960, they relocated to Starbuck. Aggie worked at the hardware store for a short time before starting her career with the Starbuck Schools as a cook. She retired and continued living on the lake in Starbuck. Stanley preceded Agnes in death in 2017. Agnes moved into Holly Ridge in Starbuck and in January of 2022, she became a resident of the Minnewaska Lutheran Home in Starbuck where she lived until her death.

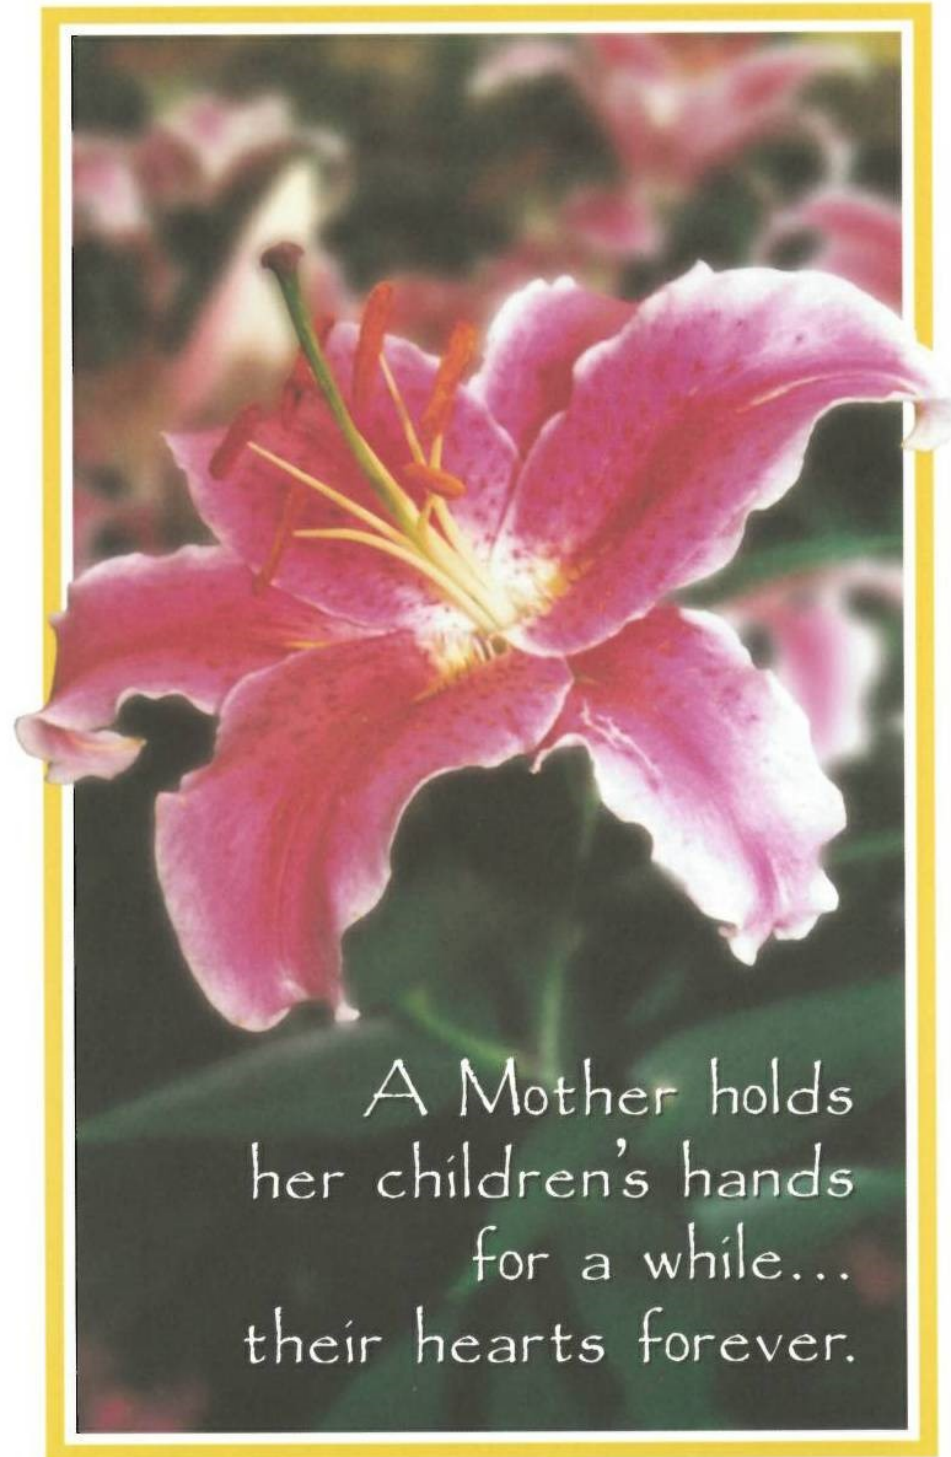

Aggie was an active member at Fron Church in Starbuck, she was involved in the quilting circle, bible study, taught Sunday school, and served on different boards. She loved to be on the lake and was an avid flower gardener. Aggie played with various Bridge clubs in Starbuck. In her earlier years, she was an excellent softball player, and enjoyed golf. She was a fabulous cook and baker, especially her lefse and brown sugar cookies. She always believed that if you worked hard, everything would be taken care of.
