

DISPLAY BOOTH SCORE SHEET

May 5, 2019

Church Name _____ Club Name _____

Director's Name _____ Judge's Name _____

This year we will host more than usual the number of Pathfinder clubs. For this reason, the space to set up Display Booths will be reduced. Some of them will be installed inside and outside the Lodge in the spaces determined for each club. The places will be drawn so that there are no preferences. The date of the draw will be communicated later in a meeting with the Pathfinder Club Directors.

All displays will be judged using the following criteria:

OVERALL BOOTH This section covers overall appearance of the booth, its attractiveness and motif, which should bring out the general theme of the Fair (**REACHING THE STARS**). Adult leaders may assist the Pathfinders in arranging and preparing the booth. However, at least 75% of the work, both at the Fair and the preparation prior to the date of the Fair, must be done by the Pathfinders themselves.
