*“From the Depth to the Sky-
Missionaries for Christ”*

Our theme this year encamps all the classroom themes. We have a mission on this earth, and it is to spread the Gospel, to be leaders for Christ, to reach someone, to care for our brothers and sisters. God has placed us in His garden to show by example, words, and actions who He is. Everyday we are challenged with physical limitations, decisions, needs, and choices. This school year, let's join hands together as we pledge to be missionaries for Christ at home, in our place of work, in our churches, and right here in our school. OACS is here to say, we serve a Living God that enables us with the strength to spread the good news and reach out to others in love.

Praise God for YOU!

*This Month we want
