Thoughts From Today's Sermon

Man is an indivisible, sympathetic union. Deficiencies in one area will hamper the other two. A sick or confused mind will have a detrimental effect on one's emotional and physical health. Healing in one area leads to healing elsewhere. For those who experience the brokenness of sin as an involuntary Gender Dysphoria, we affirm that Jesus died on Calvary for you, and that His forgiveness and grace and healing is sufficient for all who turn to Him in repentance and faith.

Mission Statement

We accept the ministry given to us by God: to bring the healing power of Jesus' love to people, and to provide a nurturing place to build a friendship with Him.

Welcome

A heart felt welcome to our church family and guests on this beautiful Sabbath morning! May we all find in Christ our heart's desire, and in our song, our prayer, our listening and our fellowship, the transformation of His amazing grace.

A fellowship meal **with our guests in mind** has been planned for immediately following the worship service this morning. This is an opportunity to get better acquainted and enjoy the love that God has put in our hearts for one another. Everyone is welcome!

Announcements

Communication Cards are in the pew rack. Please take a few moments to update your contact information and share prayer concerns, etc.
