If you need assistance you can call the front office and schedule an appointment for help. We have opened enrollment up to new families on April 4th. Space in many classrooms are already full and acceptance will be at a first come, first serve basis; so, make sure that you get your enrollment completed as soon as possible.

Attention!

Education Sabbath; Saturday 21

This Sabbath, Saturday the 21st, some of PCAS student will be participating in special music and children's Story at the Port Charlotte Adventist Church. We invite all parent to come take a look at the great things that our children are doing for God here at the school.

Title 1 Survey

I sent out an Income Verification Survey a few weeks ago that asked how many individuals were in your home and how much your household income is. The survey was attached to an envelope to keep your information confidential. We do not open these envelopes, they will go to Charlotte County School Board. I ask that all parents please fill out this survey if your student is in Title 1 or not. The totals that they receive is what allocates funds to help students that need extra support within the school. Thank you for all your help.
