## 5<sup>th</sup> & 6<sup>th</sup> Grade Mrs. Janet Lopez

This week we continued our study of prophets and the history of Protestantism. Pastor Franco came to study the Bible with us.

In Language Arts we are writing research reports. They are due next Friday. The students chose their topic and most have at least 10 notecards finished. They will now put the information together to make their 3-5 page report.

In Social Students we are learning about the Native American tribes. In Science we are learning about DNA and the structure of protein molecules.

In Art we learned about Negative and positive space in a picture. The students used that space to draw leaf pictures. In PE the students played Volleyball.

Math this week for 5th grade is adding and subtracting decimals. 6th grade is working with negative and positive numbers and comparing their value. They also learned about absolute value.

Quizzes for vocabulary, spelling, and MV were postponed due to Color day and will be given on Monday.

Thank you to those who helped supervise and drive students to the Corn Maze! It was a fun day! We couldn't do it without you! Red Ribbon Week is next week so look at scheduled dress up days so you can participate.

Parent-teacher conferences are on Monday. See you then!

### "From Christmas to the Cross"

Free, Live Walk-Through Nativity  
Friday, December 13,  
from 6:00 - 9:00 PM  
Saturday, December 14,  
from 3:00 - 6:00 PM  
Ozark Adventist Academy  
20997 Dawn Hill East Rd., Gentry

This Christmastime, take a journey back in time as you walk through the streets of Bethlehem and travel all the way to Calvary.

A fully costumed cast of 100 + members, as well as a wide variety of animals and live music will bring the Christmas story to life.

Experience the sights and sounds of not only Christ's birth, but also His life, crucifixion and resurrection as a leader guides your group throughout thirteen different scenes.

In an effort to share the real Gift of Christmas with our neighbors, we will be also collecting non-perishable food items to contribute to the local food pantry, the Total Life Community Center, in Siloam Springs, AR. This center distributes food weekly to multiple local families in need. Let's share Christmas with our neighbors in this tangible way as we show Christ's love through our actions.

Several golf carts will be available for those unable to walk through so that all may participate. Refreshments will also be served.

We hope that you can come and create a family tradition as you step back in time and travel from "Christmas to the Cross"!

This is meant to be an outreach for our fellow church members as well as our local community as we present the Christmas story. We have had many come from the community and hope to build a family Christmas tradition as we present the live nativity for the third year.

There are many ways you or your child could be involved in the nativity - villager or shop keeper in "Bethlehem City", angels in the choir, shepherds (with real sheep to "watch over"), or part of the crowd in the Feeding of the 5,000 scene which is new this year. Children can sign up for one or both days. Sign-up sheets will be available in a few weeks.

If this is something you have an interest in, please join us for our organizational meeting on Sunday, October 27 from 6-7 PM in the Ad Building at Ozark. If you are not able to make it to the meeting but would still like to participate in some way, please contact Judy Fetters at (804) 874-9430 or email: [euqlena1370@yahoo.com](mailto:euqlena1370@yahoo.com)

Any little bit helps and I know that God will multiply our efforts as we seek to share the true meaning of His life at Christmas time with our fellow neighbors!
