*I'd like the memory of me  
to be a happy one.*

*I'd like to leave an afterglow  
of smiles when life is done.*

*I'd like to leave an echo  
whispering softly down the ways,  
Of happy times and laughing times  
and bright and sunny days.*

*I'd like the tears of those who grieve,  
to dry before the sun  
of happy memories  
that I leave when life is done.*
