### Coronavirus...and a call for intercessory Prayer

In Biblical times, the priest or a descendant would carry the golden censor of fragrant incense into the camp of the Israelites to stop the plague, which had broken out. (Num. 25:7,8; Ps. 106:30,31) As a church let us be sending up our intercessory prayers for all affected by the Covid-19 pestilence, fragrant with the righteousness of Christ, the Mighty Intercessor. Let us humbly plead to God to stop the pandemic so we may have face to face worship, fellowship, and outreach again.

Please recycle this bulletin and inserts, Thank you.

### **Adventists Helping Adventists**

We are a grassroots team of Adventists who are committed to helping our smaller churches with badly needed repairs and upgrades. We are looking for individuals that can do physical work like plumbing, electrical, carpentry, etc. as well as prayer and financial donations.

The current project is at the Williamston SDA Church. Projects on the list to be completed include: mold remediation, a functioning kitchen, updating the handicap driveway and parking lot, replacing the south entrance door to fellowship hall, repair and update a safe emergency exit. If time and finances allow, updating of windows (so you can see out of them) and drywall or new paneling in the sanctuary.

While some of the churches in need of help are made up of primarily older members, they are still participating in the work that is being done. However, they may not have the same resources as a larger church.

If you are interested in helping or donating to this or any of our upcoming projects, please email: sdahelpingsda@gmail.com

Visit us on Facebook at: SDA Helping SDA. Or donate direct through <a href="https://www.Adventistgiving.org">www.Adventistgiving.org</a> "Williamston Building Fund".

**After church service** there will be a door to door outreach as we will be conducting COVID-19 impact surveys and passing out Great Controversy books and literature. Join us in the parking lot under the trees after church to get your materials and instructions.
