INVITATION:

The President, Lady. Isioma Chukwuma, ACII and Council members of the Chartered Insurance Institute of Nigeria (CIIN), invite you and members of your Organization to the 43rd Annual Educational Seminar of the Institute scheduled to hold from Wednesday 18th to Thursday 19th November, 2015 at Golden Tulip Hotel, Port Harcourt, Rivers State.

SEMINAR THEME:

"SYNERGIZING BRANCH OPERATIONS AND INSURANCE AWARENESS

BACKGROUND:

The Annual Educational Seminar of the Chartered Insurance Institute of Nigeria (CIIN) is a forum for middle level managers and marketing executives. From inception, the seminar has been a veritable platform for training and continuous professional development, with ample opportunities for knowledge sharing pertaining to technical and managerial subject which are bound to improve the performance of participants in handling of insurance portfolios. The 2015 Seminar focuses on synergizing Branch Operations and Insurance Awareness.

Branch operations in the Insurance Industry is a veritable and effective retailing outlet of Insurance products and services for purpose of meeting the Insurance needs of the population and enhancing the Gross Domestic Product (GDP) of a nation. In many respects, insurance remains an essential index for measurement of national development in its expected degree of presence in both individual and national consciousness especially in developing countries such as Nigeria.

The 2015 Educational Seminar therefore brings into focus, the imperatives for growing insurance into a bigger picture through branch office machinery and other grassroots retails network. The seminar also contemplates the repositioning of branch offices for prompt resolution of customer related issues to broaden the scope of public acceptance of insurance.

ETHICS OF INSURANCE PROFESSION

"The business of insurance is founded on the principle of utmost good faith. This Should be the dominant principle regulating the conduct of all Insurance practitioners and companies in whatever aspect or class of insurance they may be engaged. Insurance executives, managers, underwriters, inspectors and intermediaries must, at all times, put service above self and should always endeavor to employ the most effective and economical ways of doing their business and achieving the legitimate objectives of their companies or organizations..."

The above is the opening general rule of the CIIN Code of Ethics for the Nigerian Insurance Industry, get a copy and study it in order to uphold the ethics of our profession

Be Part of the crusade for a better insurance industry
