

Lord, Bless Our Home

Families all around us are crumbling every day,
Yielding to the enemy and throwing life away.
Bind our lives together, Guard us with Your truth;
When the struggle seems too great, Lord, keep our eyes on You.

Chorus

Lord, bless our home, protect our home;
Let it be a refuge in this world of sin.
Lord, reign within, keep us strong and true:
And when we need You most,
Lord, draw us close, committed to each other.
Lord, bless our home: we give our home to you.

Thank You for Your goodness; our love was in Your plan.
Help us face the future always trusting in Your hand.
Keep us warm and tender; Keep us clean and pure.
Drive us to each other's arms, and make our love endure.
